## Request for Corrected Patent Application Publication

Dear Madam/Sir,

I found that my name (the 2nd inventor) in the recently published patent application #20050041364, "MEMS based multi-polar electrostatic chuck" on February 24, 2005 was misspelt to "Qin, Shu". My name should be "Qin, Shu". Please double-check the original documents and make a correction. I will appreciate very much. Thanks.
